MEDICAL

www.macmedical.com

Choose many options to customize your *Mobile* MEDICAL CART.

It's as easy as 1-2-3-4!

1 Pick a Material

White or Gray Laminate

Durable thermal-fused white or gray laminate is on 3/4" thick high-density engineered wood

Aluminum Laminate

Brushed aluminum high-pressure laminate is a cost effective way to get the appearance of stainless steel at a lower price

Stainless Steel

Fully welded corrosion resistant, hygienic, maintenance free, heavy duty type 304 stainless steel

2 Pick a Model

* Tops for Short Mobile Carts

Anti-roll edge top on stainless steel short mobile carts

Anti-roll edge vinyl top on laminate and aluminum laminate short mobile carts

* 5th Wheel and Bumper Moulding

With the addition of a 5th wheel in the center of the wide mobile cart, stability, longevity and maneuverability are drastically increased. The bumper moulding on the 1 1/4" base of all the laminate carts add durability.

3 Pick a Door Style

Solid

Solid doors provide the best security. They are strong and more tamper resistant.

Glass

Glass doors give you the accessibility of seeing what is in your cart without opening the doors.

Tambour

Tambour doors slide open and save space as the doors roll up. You do not have to allow for the doors to swing open.

Door Accessories

Door Pulls

Wire Pull

Antimicrobial Copper Pull

Flat Pull

Bow Pull

Locks

Cam Lock

Digital E-Lock

Magnetic Catches

Glass and solid doors come with magnetic catches.
